Education

CMR College of Engineering & Technology	**2020 – present**

- Bachelor of Engineering & Technology in Computer Science (AI&ML)
- CGPA: **9.43/10**(Till 5th sem)

Page Jr College   **2018 – 2020**
- SSC (Class XII) in MPC
- Aggregate: **97.2%**

SVS High School   **2016 – 2018**
- SSC (Class X), **CGPA: 9.7/10**

Skills

Proficient in: C++, Web development
Familiar with: C, Java, Python, Machine Learning, dbms, OpenCV, Microsoft Office, aws, linux, networking, software engineering, cloud computing, data structures, NLP
Soft Skills: Time management, Fast learner, Organizational skills, Teamwork, Decision making, Problem solving, Leadership

Projects

Hand written character recognition   **08/22 - 11/22**
- Takes input as an image and predicts the output.   **Link**
- Uses technologies like deep learning and artificial neural networks**.**

Automatic Mask and Sanitizer Dispenser   **04/21 - 08/21**
- Works based upon the arduino programming.
- Dispenses the sanitizer and mask when hand is detected.

Medvine (Medicine Vending Machine)   **09/21 - 02/22**
- Works on the basis of limit switch.
- When the coin is inserted, the medicine is dispensed.

Certifications

- ✓ Cyber Security Essentials by Cisco
- ✓ AWS Cloud Fundamentals   **Badge**
- ✓ AWS Cloud Architecture   **Badge**

Academic and Extracurricular Achievements

Academic Topper (CSM Branch)	**11/20 - 07/22**
NCC B Cert Holder	**12/20 - 09/22**
Participated in different hackathons.	
Hosted college events.	

Hobbies & Interests

Coding

Gardening

Athletics

Movies & Web series

Interacting with different groups of people
